

SOUP FOR LUNCH

Interviewee: Hester Kerr (nee Hustwaite) (student in 1930s):

NVMA #201- 91

Date Recorded: 29 September 2020

Interviewer name: Patricia Wejr

PW: And did you go home for lunch as well?

HK: Yeah, we did. It was very rare that we stayed for lunch, although Mother used to be in charge of making soup for them [other students]. She made a huge kettle of soup and stuff for those that couldn't come home. And I would sometimes be able to stay for that but normally speaking, we always went home for lunch.
