
A MUSEUM AS EXTRAORDINARY AS THE COMMUNITY IT SERVES.

NORTH VANCOUVER'S STORIES LIVE HERE.

A new museum that transforms the way we experience North Vancouver's stories.

You will find yourself drawn in to landscapes you knew nothing about, meeting people from different eras, and contemplating what it all means for our future.

MONOVA
Museum & Archives of North Vancouver

TO BELONG TO A COMMUNITY MEANS KNOWING ITS STORIES AND EXPERIENCES.

Stories are the threads that weave us together and form the fabric of community.

Museums are where communities discover themselves and grow strong and resilient.

More than a museum — we're building community.

OUR VISION:

To be an essential and transformative community hub where the stories of North Vancouver's people, places and past come to life.

OUR MISSION:

To engage, strengthen and inspire our community and its visitors by exploring the past, present and future of North Vancouver and its people.
